General features

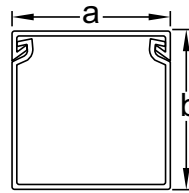

Raw Material PVC UL94, V0 M1

Impact Resistance : 2 Joule
Operation Temperature : -25 +65 Co

Colour : White RAL 9010
IP Ingress Protection : IP40

Additional Features

UV resistant
Easy Install, pantable, non-flammable, Economic and adaptable
Resistant to acids, oils and greases Non-conduct ve
Nonflammable

Important:

The label size area of our cable trunking without adhesive tape is GRAY on the box.
